

# Announcement from Ernie Camerino

ERNIE CAMERINO

I am pleased to announce that I have joined **Buttelman & Associates Financial Services**, the exclusive financial and retirement advisors for Gold Coast Federal Credit Union members. Assisting Palm Beach County School District employees with their personal retirement needs for decades has been a privilege and I am thrilled to continue to help teachers, non-instructional and administrative staff in need.

**Please contact me directly at 561-433-6544 or reply to this e-mail to schedule a no cost, one-on-one consultation** to discuss your FRS Exit Process and your available Palm Beach County School District program options. I am available at the Gold Coast Federal Credit Union Retirement and Investment Center, located at 2226 South Congress Avenue, West Palm Beach on Tuesdays and Thursdays between 9:00AM-4:00PM.

Coming soon, please look for **educational events and courses from our new Retirement and Medicare School** to be provided by myself, Medicare expert David Gluckman, and Financial Representatives Michael Buttelman and Taylor Northrop.

Ernie Camerino provides education and information with regards to Palm Beach County Schools and FRS retirement program options. Any securities and advisory related investments will be made available through Buttelman & Associates and their GWN Securities registered representative. Buttelman & Associates LLC., and its employees and representatives, do not represent nor are they affiliated with the Florida Retirement System or Palm Beach County Schools.
